EVERGREEN *Newsflash*

GREAT NEWS! BREAKING GROUND AT EVERGREEN BROADACRES

Thank you for showing interest in Evergreen Broadacres, the latest development in our national roll out of Evergreen Lifestyle villages. We are delighted with early sales performance and believe that this will strengthen even further as construction activity commences on site.

Please contact our agents listed below for an appointment to view. We look forward to you joining us with your friends and relatives to view progress on a regular basis: we'd love to share Evergreen Broadacres' journey to becoming the most desirable and exclusive retirement lifestyle destination.

Our construction commencement dates are outlined below:

- ☞ Commencement and site establishment June 2011
- ☞ Civil infrastructure June 2011
- ☞ Boundary walls & gate house July 2011
- ☞ House construction (subject to plan approval) August 2011
- ☞ Estimated occupation March 2012

As your health and safety is our prime concern we have appointed a Health & Safety Representative for the duration of the project during the construction phase.

The Evergreen Team

ON SHOW Monday-Saturday: 10am - 4pm | Sunday: 12pm - 5pm
Directions: From Witkoppen Road, North along Cedar, right into Lombardy, right into Pine, right into Frederick
